**Want a little  
sunshine while  
working out?**

**Want to go from the  
mountains to the beach  
without hitting traffic?**

A circular frame with a blue border contains a photograph of a park bench in a sunlit forest. The sun is high in the sky, creating a strong lens flare and illuminating the scene. The trees and foliage are in various shades of green and yellow, suggesting autumn. The bench is made of dark wood and is positioned in the lower center of the frame. The ground is covered with fallen leaves and small rocks.

**LA County Trails Information**

At the Department of Parks and Recreation, we are committed to enriching lives by providing parks, facilities, programs, and people dedicated to providing healthy recreation and cultural programming in our communities. Last year saw the completion of more than \$30 million in capital projects, including the new Castaic Sports Complex Aquatic Center, the Interpretive Center at Vasquez Rocks Natural Area Park, the reopening of an upgraded pool at Eugene A. Obregon Park, and renovation of the community center at Del Aire Park, where we also dedicated California's first urban public fruit...
